

Bay St. Louis Police Department  
Monthly Report

1 February to 28 February 2012

**Bicycle Safety:** With the weather changing there will be more people riding bikes. Motorists and bicyclists need to understand they share the same roadways, and have to follow the same rules of the road. The Bay St. Louis Police Department holds Bike Safety courses in our local schools.

So motorists be careful for bicyclists and bicyclists be careful when riding, wear clothing that can be easily seen, and have some type of illumination on the front and rear of your bike, wear a helmet.

**Lady Beware Course:** We will be hosting another LADY BEWARE COURSE, if you are interested please contact Officer Duane Caughlin at 228-466-5486.
